GitHub Education

A close-up photograph of a white ceramic cup filled with a latte. The surface of the milk is decorated with intricate latte art, featuring a central heart shape surrounded by concentric, wavy lines. The cup is placed on a matching white saucer. In the background, a white napkin and a silver fork are visible, though they are out of focus. The overall lighting is soft and even, highlighting the textures of the coffee and the smooth surface of the cup.

¡BREAK!

ACTIVIDAD: Mi website online

Crea tu cuenta en GitHub

<https://github.com/>

The screenshot shows the GitHub homepage in a web browser. The browser's address bar displays 'github.com'. The page features a dark background with a faint, stylized tree diagram. On the left, the text 'Built for developers' is prominently displayed, followed by a paragraph: 'GitHub is a development platform inspired by the way you work. From open source to business, you can host and review code, manage projects, and build software alongside 50 million developers.' On the right, a white sign-up form is centered. The form includes three input fields labeled 'Username', 'Email', and 'Password'. Below the 'Password' field, a note states: 'Make sure it's at least 15 characters OR at least 8 characters including a number and a lowercase letter. [Learn more.](#)'. A large green button labeled 'Sign up for GitHub' is positioned below the form. At the bottom of the form, a small disclaimer reads: 'By clicking "Sign up for GitHub", you agree to our [Terms of Service](#) and [Privacy Statement](#). We'll occasionally send you account related emails.'
